

CADRA recessed fitting

square, silver-grey, warm-white LED

With our CADRA series we offer you a lighting solution for recessed wall and ceiling installation with minimum space requirements. The LED version is equipped with a durable diode and available in either blue, neutral or warm white light colour. A suitable constant current driver rated at 350mA is needed to operate the CADRA. The optional accessory includes a connector strip for simplified wiring in addition to the mounting box and flush-mount frame. This luminaire contains built-in LED lamps.
