# LEDSTRIP SET STRIP COB + DRIVER | S

**LED STRIP SET STRIP COB + DRIVER, S, LED Strip, 3000 K, 500 cm, IP20**

The LED Strip STRIP COB + DRIVER from the LEDSTRIP SET product line is a versatile lighting element, particularly suitable for linear lighting installations. Typical applications include indoor spaces where uniform and efficient illumination is required. The LED strip features a compact design that allows for easy installation. The product is designed as a complete set with an integrated driver, simplifying installation and ensuring reliable power supply. The use of COB technology provides homogeneous light distribution without visible individual points. This LED strip system is designed for professional users such as electrical installers and wholesalers seeking a flexible and high-quality lighting solution.
