

FRAME LED 230V BASIC

LED Indoor recessed wall light, 2700K

Our FRAME 240V LED series is a space-saving lighting solution for recessed wall installation. The LED version is equipped with a long-life LED, and is available with a warm white light colour. The optionally available accessories include installation boxes and flush-mounted frames. The electrical connection is made directly to the 230V mains voltage supply. This luminaire contains built-in LED lamps.

Tekniske data

Item no.	1000576
