

## OUT BEAM UP/DOWN

outdoor wall light, QT-DE12, IP44, beam/flood , anthracite, max. 80W

Single-headed, aluminium wall mounted light from the OUT BEAM series. The two opposing light outlets covered with glass produce a wide beam, and therefore create the special up/down effect. Thanks to its IP44 protection class, the luminaire is suitable for outdoor use. The luminaire is connected directly to the 230V mains supply. The OUT BEAM series also includes wall lights with integrated LEDs.
