

Q-LINE CL

LED Indoor surface-mounted ceiling light, 2m, BAP, white, 4000K

The Q-LINE ceiling light is optionally available with a white, black, or silver-grey luminaire housing. It is also available with a pure white or warm white LED, and different dimensions. Its high luminance and UGR value of less than 10 make the Q-Line luminaire suitable for workstations. Thanks to the TRIAC dimmable LED driver, the luminaire can be directly connected to the 230 Volt mains voltage supply.
