

ROX ACRYL 30 Pole

Outdoor floor stand, IP65, stainless steel 304, E27 max 20W

The ROX ACRYL POLE 30 floor stand is made from stainless steel 304 and opalescent acrylic glass that surrounds the bulb completely. With protection class IP65, the luminaire is available in several heights and is suitable for outdoor use. The electrical connection is made directly to the 230V mains supply. The ROX ACRYL series also includes wall and ceiling luminaires and can therefore be used universally. For simplified mounting, through-wiring is possible and an earth-spike and a concrete anchor set are available as accessories.
