

## PANEL

1200x300 mm, LED indoor plafondarmatuur, 3000 K, zilvergrijs

Met de in meerdere licht- en behuizingskleuren verkrijgbare LED PANEL bieden wij een moderne en ruimtebesparende oplossing voor een efficiënte algemene verlichting. Met een hoge lichtstroom en een UGR -waarde van minder dan 19 geniet u van een aangename, homogene en niet-verblindende verlichting, zelfs voor beeldschermwerkplekken. Het armatuur wordt rechtstreeks aangesloten op 230V net-spanning. Dit armatuur bevat ingebouwde LED lampen.
