

MEDO 90 DL

LED Indoor recessed ceiling light, framed version, white, 3000/4000K

The MEDO FRAME variants round off the recessed lights in the MEDO series. The MEDO FRAME lights blend into any room perfectly, just like the frameless versions. Understated yet still powerful, they provide bright illumination. Supplemented by two additional drivers, the TRIAC recessed variant becomes dimmable and can be integrated in DALI systems.
