

SITRA WL

LED Outdoor surface-mounted wall light, anthracite, IP44, 3000K, 9W

The single-headed SITRA wall light is made of aluminium and structured glass, which covers the LED light source. It is suitable for use outdoors thanks to its IP44 protection class. The electrical connection of the luminaire, which comes in two colours, is made directly to the 230V mains supply. The SITRA series also contains double-headed wall lights and can therefore be used universally.
