

VALETO® Gateway

brushed metal/black

The VALETO® Gateway is the door opener to the world of SLV VALETO® SMART HOME SYSTEMs. It receives the signal that you transmit at the push of a button, forwards it and therefore ensures that operating your lamps or devices is child's play. It is compatible with our SLV VALETO® products. SLV VALETO® is based on a future-proof system standard (ZigBee®), which provides maximum flexibility and compatibility with current or future components.

Tekniske data

Item no.	1002411
IP klasse	IP20
Dæmpbar	Ja
Dæmpningstype	Zigbee
Primær spænding	100-240V ~50/60Hz
IP Tæthedsgad	II
Farve	gray/black
Længde	10.6 cm
Bredde	10.6 cm
Højde	2.6 cm
Nettovægt	0.321 kg
Bruttovægt	0.387 kg
