

VALETO® Gateway

brushed metal/black

The VALETO® Gateway is the door opener to the world of SLV VALETO® SMART HOME SYSTEMs. It receives the signal that you transmit at the push of a button, forwards it and therefore ensures that operating your lamps or devices is child's play. It is compatible with our SLV VALETO® products. SLV VALETO® is based on a future-proof system standard (ZigBee®), which provides maximum flexibility and compatibility with current or future components.

TECHNICAL DATA

| | |
|-------------------------|-------------------|
| Item no. | 1002411 |
| IP Code | IP 20 |
| Dimmable | Yes |
| Dimming technology | Zigbee |
| Primary nominal voltage | 100-240V ~50/60Hz |
| Safety class | II |
| Color | grey |
| Length | 10.6 cm |
| Width | 10.6 cm |
| Height | 2.6 cm |
| Net weight | 0.32 kg |
| Gross weight | 0.385 kg |
