

SOMNILA SPOT

indoor LED surface-mounted wall light 3000K black
version left incl. USB connection

Developed as an ideal bedside or reading light, the SOM-NILA light series provides an innovative and user-friendly luminaire concept. The elegant surface-mounted wall light is made from white or black coated aluminium and impresses with its professionally manufactured mechanics, combined with modern LED technology. Equipped with a USB connection and the necessary Smartphone holder, the luminaire provides real added value. The spotlight can be individually directed, therefore providing ideal and accurate illumination. The second light source is used for general lighting. If necessary, the two light sources of the luminaire, which are separated by the built-in switch, can be switched separately. The luminaires are available in versions for left-hand and right-hand mounting so that they can be perfectly integrated in the room. The luminaire includes built-in LED lamps.

Tekniske data

Item no.	1003455
Antal lysåbninger	2
IP klasse	IP20
Montering	Surface
Monterings detaljer	Wall
Primær spænding	100-240V ~50/60Hz
Sekundær strøm / spænding	12V
IP Tæthedsgad	I
Watt	15 W
Omgivelsestemperatur	45 °C
Min omgivelsestemperatur	-10 °C
Max omgivelsestemperatur	45 °C
Lumen	490 lm
Farvetemperatur	3000 Kelvin
Spredningsvinkel	110 °
Farve	black
CRI	90
LXXBXX-data	L70B50
Bredde	28 cm
Højde	16 cm
Dybde	7 cm
Nettovægt	1.506 kg
