

NOYAPD PHASE

Indoor LED pendant light black CCT switch
2700/3000K

The NOYA pendant light looks more stylish than ever indoors: in its proven elegant SLV design, it will impress you all round with a high colour rendering index (CRI>90) and a light colour (2700/3000K) that can be flexibly adjusted using the CCT switch on the top of the light. With its elongated slender shape, delicate colour details and high-quality appearance, it creates a harmonious lighting ambience in any home, as well as over tables and counters in hotels, restaurants or even cafés, for a harmonious lighting ambience. The light colour should only be selected when switched off.
