

## L-LINE OUT 50 FL POLE

Outdoor LED free-standing light horizontal anthracite  
CCT switch 3000/4000K

Whether in gardens, along the paths and driveways of residential buildings, hotels or restaurants - with its variety of lights, the L-LINE OUT family lights the way outdoors. Despite their individual differences, the individual members share a design vocabulary in L-shape, which stands out with its clear lines. And when it comes to lighting technology, there are no compromises: the choice of light colour (3000/4000K), which can be selected during the easy installation process, and IP protection class 65 are just some of the benefits of the L-LINE OUT.

### Tekniske data
