

MANA

shade round 40 grey

Light and design in perfect harmony: the shades of the MANA family, made of felt, stand out with their unique appearance. If several lights of different colours and sizes are mounted side by side as a cloud, this creates an exciting wall design for offices and homes. Please note that you must combine the MANA shade with the matching MANA BASE (LED version: 1004657 or unlit version 1004969).
