

## RUSTY® PATHLIGHT 40

LED outdoor floor stand, rust coloured, IP55, 3000K

The direct radiating floor stands of the RUSTY series convince by their exceptional rust look. This is achieved by a special chemical treatment of the FeCSi steel used. This makes the luminaire a unique piece and an absolutely special feature wherever they are installed. With protection class IP55, it is suitable for outdoor use. As an option an earth spike as well as a connection box for safe electrical connection to the round luminaire upright, are available. Equipped with a powerful LED, the luminaire connects directly to a 230V mains voltage supply.
