

SYNA GARDEN

ground spike light

The versatile SYNA ground spike light makes a strong impression in any outdoor area. Thanks to its sturdy ground spike, long cable and shockproof plug, it can be flexibly and easily installed and fixed into the ground. The high-performance outdoor spotlight creates an asymmetrical light distribution, making it an ideal source of accent lighting. In addition, it has an IP65 protection class rating, which means it is ideally protected against dust and jets of water from all directions.
