

S-CUBE

wall and ceiling-mounted light, 2700/3000K, 15W, PHASE, 80°, anthracite

The new S-CUBE wall and ceiling-mounted light captivates with its modern and elegant design. Thanks to its adjustable light colour (2700/3000K), IP65 protection class, high colour rendering index (CRI>80), dimmability and long life-span (L80/B10 50,000h), it provides everything you would expect from a high-quality outdoor light. The delicate satin finish of the LED cover is a real highlight, creating a clean, homogenous look and draws the gaze to the white reflectors.
