

PARA CONE 14

pendant light for 1-phase system, GU10, white/gold

With its conically shaped reflector, the PARA CONE 14 pendant light provides a particularly warm lighting effect. The white version can be individually combined with a wide range of colours and sizes of other PARA CONE lamps to create a cloud of light. The QPAR51 lamp is also easy to replace thanks to the GU10 fitting. And last but not least, the steel housing impresses with its robust quality. Experience PARA CONE in action and convince yourself of a successful lighting experience.
