

MANA 60 lampshade

round, moon structure, H: 4.2 cm, gold

Experience light and design in perfect harmony: the MANA lampshade, available in gold, adds two new sizes with a unique surface structure to the product family. This increases the design freedom: By mounting several lights of different colours and sizes side by side as a cloud, this creates an exciting wall design for offices and homes. Please note that all MANA lampshades must be combined with a MANA BASE (with or without light source).
