

GRIP! M

1~ spot, cylindrical, 2000-3000K, 15W, dim-to-warm, PHASE, 42°, white / black

GRIP! is the new decorative spotlight from SLV that goes hand in hand with the latest design trends. The elegant eye-catcher in size S and the all-rounder in size M with integrated LED and anti-glare reflector are available for the 1-circuit, 3-circuit and 48V track system. You can choose between different control options and light colour variants as well as dim-to-warm spotlights. Visually, the GRIP! spotlights appeal with their modern colour combinations and the decorative rings, which are available separately in four colours and enable customisation.
