

GRID SUN

Free-standing lamp, 2700 K, IP65, Black/Opaque

The GRID SUN free-standing lamp impresses with its concise and calm design language. The minimalist light combines cylindrically arranged rattan rods with a floating, illuminated sphere - a fascinating effect that creates a special ambience. With a warm white light colour of 2,700 K and an IP65 protection rating, it is perfect for outdoor use. It is connected via a practical plug-in power supply unit. The GRID SUN is the ideal choice for modern outdoor lounges, terraces, and gardens.
