

NEW TRIA® 155

recessed ceiling light, square, 2700K, two-lamp, PHASE, 38°, black

Discover the new generation of our NEW TRIA® recessed ceiling lights with even more possibilities for an individual lighting experience. Top sellers such as the NEW TRIA® 155 are available as a complete set. The DOUBLE LED module ensures the quality of light: the set includes two premium LED lights with CRI>90 and an output of 6 watts each, whose warm white light can not only be swivelled through 38°, but can also be phase dimmed using the driver supplied. A wide range of design options are guaranteed thanks to two elegant housing colours and the choice between 2700 K and 3000 K. The generous rotation and swivelling range of the recessed spotlight allows the light cone to be aligned as desired.
