The NUMINOS light system from SLV skilfully combines function, design and technology. This way, you can experience a thousand lighting design possibilities with a variety of downlights and spotlights. This also includes NUMINOS® MOVE XS, which impresses as a recessed ceiling light with the best workmanship and lighting quality. In this way, you can create discreet, modern and space-saving lighting that draws the focus to objects or the room. Installation is then done in no time at all. When will you choose SLV's modular variety?
