

Reflector S 10°

for THEO PRO and HELIA PRO

The reflector can be used to reduce the half-spread angle of the HELIA PRO and THEO PRO wall-mounted luminaires in size S to 10°. This creates a particularly focused light cone – ideal for targeted accent lighting on façades or architectural details.

TECHNICAL DATA

Item no.	1010939
Color	chrome
Height	3.07 cm
Diameter	5 cm
Net weight	0.006 kg
Gross weight	0.008 kg
