

Reflector L 10°

for THEO PRO and HELIA PRO

The reflector can be used to reduce the half-spread angle of the HELIA PRO and THEO PRO wall-mounted luminaires in size L to 10°. This creates a particularly focused light cone – ideal for targeted accent lighting on façades or architectural details.

TECHNICAL DATA

Item no.	1010940
Color	chrome
Height	4.59 cm
Diameter	9.2 cm
Net weight	0.021 kg
Gross weight	0.029 kg
