

RASTERLYS | WL, UP/ DOWN, PHASE

RASTERLYS WL UP/DOWN, wall-mounted luminaire, rectangular, 3000 K, 16 W, PHASE, 45°, anthracite

The RASTERLYS series combines modern design with versatile performance. Whether as a single light or mounted in a row - the wall and bollard lights create stylish lighting accents in outdoor areas. The WL UP/DOWN version provides effective façade lighting with light emission on both sides and a 45° beam angle. With 3000 K, IP65 and triac dimming, it offers a robust and flexible solution for demanding outdoor applications.
