

SEJERO | PD, E27

SEJERO, pendant luminaire, E27, pendant length 49.1 cm, 1 x max. 15 W, anthracite

The SEJERO light family combines Scandinavian-inspired design with functional outdoor lighting. Clear shapes and natural colour variations in anthracite and sand blend harmoniously into modern architecture. With an E27 socket for maximum flexibility in the choice of light source and IP65 protection, the lights are ideal for outdoor use. The sea air-resistant surface also ensures increased durability even in demanding environments.
