

HELIA SLIM Pole

single, LED outdoor floor lamp, IP65, 2200 K, black

With its minimalist design and black surface, the HELIA SLIM floor lamp blends naturally into any outdoor environment. While the warm white light (either 2,200 K or 3,000 K) creates a particularly cosy atmosphere, the high-quality coating makes long-term use (L70B50, 50,000 h) even in coastal areas. The location of the bollard light, equipped with 6 W light heads and 38° optics, can be easily varied thanks to the 1.5 m long cable with Schuko plug (IP44).
