

## BATTEN INDUSTRY C 1782 228 840 | WB ML WH DALI

### BATTEN INDUSTRY C 1782 840 WB ML WH DALI

The BATTEN INDUSTRY C is the high-performance solution for industrial applications such as warehouses, manufacturing or sports facilities. With a luminous efficacy of up to 180 lm/W, a high luminous flux and selectable beam angles (NB/MB/WB), it offers outstanding flexibility. Its robust design, long service life and optional DALI control make it ideal for efficient, reliable lighting concepts.
