

BATTEN INDUSTRY P 1782 237 840 | MB ML WH

BATTEN INDUSTRY P, 1782 237 840 MB ML WH

The BATTEN INDUSTRY P is a highly versatile industrial luminaire, ideal for use in multi-storey car parks, ancillary rooms or commercial areas. With its robust housing, high efficiency and uniform light distribution, it provides reliable lighting. Thanks to selectable beam angles, optional DALI control and functions such as power and CCT switch, it offers maximum flexibility for planning and installation.
