

TRACK PANEL 3PH. 120 830/840 | WB ML BK DALI

TRACK PANEL, 3PH. 120 830/840 WB ML BK DALI

The TRACK PANEL is a wide-area LED solution for 3-phase tracks and is ideal for uniform, low-glare general lighting in retail, office and commercial areas. With multi-lumen and multi-colour function and optional DALI control, it enables flexible adaptation to project-specific requirements.
