

EASYLIGHT 2500 | 3PH TRACK BK

EASYLIGHT, 2500 3PH TRACK BK

Whether for industrial buildings, supermarkets or logistics centres, the EASYLIGHT LED trunking system combines maximum flexibility, outstanding efficiency and high-output lighting technology in a modular system. The intermediate module with integrated 3-phase track extends the EASYLIGHT system with additional application options. It allows spotlights to be flexibly integrated directly into the light line, delivering a seamless and functional solution. Available in various lengths, in black or white, and optionally with DALI.
