

## DALI INTERFACE PUSH DIMM / DALI PCU TW G2

white

The DALI DIM module enables convenient control of DALI and DALI-2 luminaires via a classic button. Dimming, switching and – in the case of DT8 drivers – adjusting the colour temperature can be controlled intuitively. The compact module is simply installed in a standard flush-mounted box and simultaneously supplies the DALI bus. Ideal for easy integration of dimmable lighting solutions, e.g. in 48 V rail systems.

### TECHNICAL DATA

Item no.	1011655
IP Code	IP20
Dimmable	Yes
Dimming technology	DALI
Primary nominal voltage	220-240AC50/60 Hz
Wattage	2 W
Minimum ambient temperature	0 °C
Maximum ambient temperature	50 °C
Length	4.9 cm
Width	4.8 cm
Height	2.2 cm
Net weight	0.049 kg
Gross weight	0.068 kg
