

GRIP! L | CL, QPAR51, Ø 5.7CM

GRIP! L, CL, QPAR51, Surface-mounted ceiling luminaire, GU10, 1 x 6 W, black / gold-coloured

The GRIP! L surface-mounted ceiling light is designed for indoor use and is particularly suitable for direct lighting of living and working areas. It features a socket for a GU10 lamp with a power rating of 6 watts. The housing is made of aluminium and is finished in a combination of black and gold colours. With a diameter of 5.7 centimetres and a height of 11.8 centimetres, the luminaire offers a compact design. The light has an IP20 rating for protection against the ingress of solid objects and a shock resistance class of IK02. These features make the luminaire a robust and versatile solution for ceiling mounting.

Item no.	1011847
