

LEDSTRIP MOUNTING SPRING RECESSED | M

LED STRIP MOUNTING CLIP, RECESSED, M

Stainless steel mounting clips, suitable for fixing LED strips in recessed installations. The clips are compact, measuring 2 cm in width, 2 cm in length, and 3.1 cm in height, allowing for discreet and secure mounting. They are part of the LEDSTRIP MOUNTING CLIP product line and are especially suitable for use in areas where a safe and permanent fixation of LED strips is required. The mounting clips are designed for recessed installation and provide a reliable fastening solution for various installation environments.
