

## PARA CONE 20

pendant, A60, round, black / gold, Ø 20 cm, max. 60W

For a particularly warm lighting effect, the conically shaped reflector of the PARA CONE 20 pendant light is the first choice. The lamp in gold and black can be individually combined with a wide range of colours and sizes of other PARA CONE lamps to create a cloud of light. The pendant light is quick and easy to install and flexibly adjustable in height. The aluminium and steel housing is impressive, not least because of its high quality. Experience light with SLV – your reliable partner for all kinds of indoor lights for 40 years.
