

## TRUKKO 60

wall light, LED, 3000K, chrome/white, H 60 cm, incl. LED driver

The elegant and slender form of the TRUKKO 60 wall light is made from white plastic with chrome-plated zinc cast components and provides a strong design character with high recognition value. The integrated Premium LED offers pleasing lighting effects in two different intensities. The in-built LED driver allows it to be directly connected to the 230V mains supply.

### Tekniske data

Item no.	149762
IP klasse	IP44
IK Vandalklasse	IK03
Slagfasthed	0.35 Joule
Montering	Surface
Monterings detaljer	Wall
Primær spænding	220-240V ~50/60Hz
Sekundær strøm / spænding	500mA
IP Tæthedegrad	I
Watt	9.2 W
Omgivelsestemperatur	30 °C
Min omgivelsestemperatur	-40 °C
Max omgivelsestemperatur	30 °C
Lumen	750 lm
Farvetemperatur	3000 Kelvin
Spredningsvinkel	120 °
Farve	chrome
CRI	90
LXXBXX-data	L70B50
Længde	60 cm
Bredde	4 cm
Dybde	5 cm
