

## DOWNUNDER 2

**recessed fitting, square, natural aluminium, TC-D, energy-saving lamp, 13W**

Aluminium recessed wall light of our DOWNUNDER 2 series. The not visibly mounted TC-D lamp with G24d-1 socket emits the light indirectly onto the surface to be illuminated. This guarantees glare-free illumination of walkways and much more. The DOWNUNDER 2 recessed fitting is available in natural aluminium colour version and thanks to the already incorporated ballast, it is suitable for direct connection to 230V mains supply. A mounting frame for installation in masonry can be ordered from the accessory.

## TECHNICAL DATA

|                         |                   |
