

AIXLIGHT R2 OFFICE

pendant, two-bulb, QPAR111, LED, 4000K, rectangular, white, L/W/H 153/18/5 cm, 1x33.5W, 2x75W max.

To match the design language of the AIXLIGHT R Series, with the AIXLIGHT R2 OFFICE, available in housing colours of either black, white or silver-grey, we are offering a high-voltage pendant light that holds two ES111-type bulbs, with an additional satin-finish illuminated panel to be fitted with an energy-saving 33.5W premium LED module. The bulb holders pivot on gimbals, which guarantees the individual alignment of the light cone. Thanks to the integrated electronic ballast, the AIXLIGHT R2 OFFICE is ready for direct connection to the 230V mains voltage. The ES111 lamp and the LED module can be switched separately.

TECHNICAL DATA

Item no.	159141
Color	white
Net weight	6.929 kg
Gross weight	8.3 kg
