

GLENOS

industrial profile, flat, matt white, 2 m

The matt white GLENOS industrial profile comes in 2 m length, 50 mm width and 46 mm height. It comes with a flat cover. The versatile LED profile has two chambers and can be used in a system which is suspended, as well as surface-mounted or recessed variants. Various accessory parts are available as well as direct connectors and reflectors. The system gives you the space for individual installations of all types and, thanks to its width, can be fitted with LED strips with up to 40mm diameter.
