2700/3000 K CRI 90 140°**

Perfect for stylish living spaces, the hotel business, catering and smaller shops: with its flawless design, the ONE BOW FL gooseneck lamp is a highlight in any location. The circular lamp head emits its 1200 / 1200 lumen dimmable light in an upward and downward direction. The colour temperature can be configured using the CCT switch (2700/3000 K). With a beam angle of 140 degrees, the surrounding area is evenly illuminated. The CRI of over 90 means colours are reproduced naturally. And the LED service life of 50,000 hours is also exceptionally generous.
