

ORDI II

WL, Wall-mounted light, Square, 2200/3000 K, IP65, Black

The ORDI II wall-mounted light is an extension to the successful ORDI family and sets new standards in design and technology. With an optimised design, it offers improved technical specifications such as an IP65 protection rating, a sea-air resistant coating, and a robust IK07 classification. These properties make the light ideal for outdoor use, even under extreme conditions such as rain, wind, or salty air. Thanks to the CCT switch, the colour temperature can be flexibly adjusted. The insect-friendly 2,200 K is less attractive to insects due to its lower proportion of blue, while 3,000 K is suitable for functional lighting. The light has an impressive service life of 50,000 hours and is available in black and white. The dimmable versions of the ORDI II wall-mounted light allow the flexible adjustment of the light intensity, for a customised lighting concept.
