

GRIP! S | DECO RING

GRIP! S, decorative ring, nickel

The GRIP! S decorative ring in nickel finish is an accessory primarily used for the aesthetic framing of luminaires or similar installations. With a diameter of 2.7 cm and a height of 1.1 cm, the ring is made of aluminium, providing a stable and shape-retaining construction. The decorative ring is suitable for indoor use and can be easily installed to enhance the appearance of luminaires. Its compact design allows for discreet integration into various lighting systems.
