

GRIP! S | DECO RING

GRIP! S, decorative ring, gold

The GRIP! S decorative ring in gold is an accessory primarily used to enhance the appearance and serve as a finishing ring for luminaires. The ring is made of aluminium and features a diameter of 2.7 cm and a height of 1.1 cm. Due to its compact dimensions, it is suitable for installation in various luminaire models to complement and visually complete their design. Installation is carried out as an attachment or finishing element, with the material ensuring a robust and dimensionally stable construction. The decorative ring is part of the GRIP! product line and is specifically intended for decorative design in the lighting sector.
