

## LOGS WALL

outdoor wall light, LED, 3000 K, IP44, square, white, 8 W

The indirect LED wall luminaire LOGS WALL is made from aluminium and equipped with a high-performance planar LED. Depending on the version various housing colours are available. The required driver for direct connection to 230V mains supply is included in each package. In addition, the installation can be extended by floor lamps of the series.

## TECHNICAL DATA

|                             |                    |
|-----------------------------|--------------------|
| Item no.                    | 232101             |
| IP Code                     | IP65               |
| Impact resistance class     | IK 04              |
| Primary nominal voltage     | 220-240V ~50/60 Hz |
| Secondary power / voltage   | 500 mA             |
| Safety class                | I                  |
| Wattage                     | 9.5 W              |
| Maximum ambient temperature | 40 °C              |
| Level of inrush current     | 4.7 A              |
| Duration of inrush current  | 30 µs              |
| Lumen                       | 800 lm             |
