

RUSTY SLOT 80

outdoor floor stand, LED, 3000 K, rusted steel, L/W/H
12/12/80 cm

The direct radiating floor stands of the RUSTY series convince by their exceptional rust look. This is achieved by a special chemical treatment of the FeCSi steel used. This makes the luminaire a unique piece and an absolutely special feature wherever they are installed. With protection class IP55, it is suitable for outdoor use. As an option an earth spike as well as a connection box for safe electrical connection to the round luminaire upright, are available. Equipped with a high output COB LED, the luminaire connects directly to 230V mains supply.
